LETTER FROM THE MANAGING DIRECTOR

Dear Stakeholders,

I write this letter with a sense of pride about how well your Company performed this year, not just in financial terms, but also in terms of what we accomplished for customers, employees, shareholders and communities across the world.

Your Company crossed an important milestone in this Financial Year 2018-19 that it has listed its securities on the SME platform of Bombay Stock Exchange and with good success entered into the Secondary Capital Security Market. Also, your Company has performed very well in financial terms and in my opinion we were able to serve satisfactorily the market needs. Revenue of your company has shown a commendable increase of 155%. In my opinion, this growing market valuation of our products is due to Shankar Lal Rampal Dye-chem Limited ("Srdyechem/SRDL")'s differentiated strategy, improving capital allocation and most importantly your firm belief in sustainability and growth of your company.

This year was very vital for the company in all the above terms. For better compliance and safeguards toward customers, better management and also society in whole; your management has adopted various corporate policies, adopted various quality initiatives and for preserving the brand value of the company, your management has registered its trademark.

In this era, where the industry is struggling with problems like volatile input costs, increasing labour and storage costs and cut-throat competition; vision of better quality products and good trade practices have been driving forces for your company to sustain and earn a favorable outcome.

The opportunities ahead are huge. By staying true to its vision, mission and its values, and by continually investing in building newer capabilities, your Company is positioned well to become the foremost partner of choice to all forward-thinking enterprises in their growth and transformation journeys.

On behalf of the Board of Directors, I want to thank you all for continued trust and confidence.

Annexure-I Management Analysis and Discussion Report

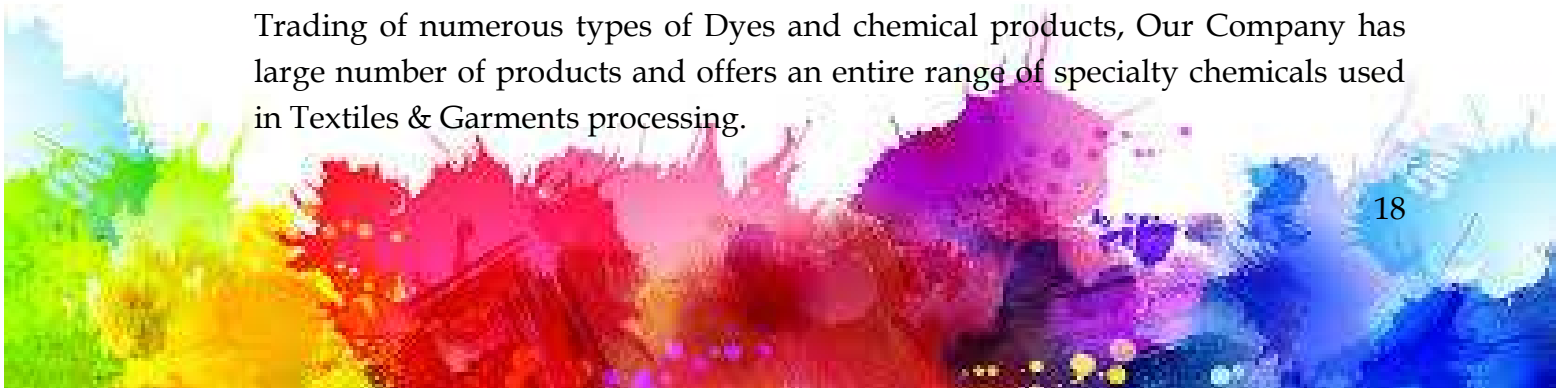

1. INDUSTRY STRUCTURE & DEVELOPMENTS:

Dye-Chemical Industry

India is a strong global dye supplier, accounting for approximately 16% of the world production of dyestuff and dye intermediates. Chemicals industry in India has been de-licensed except for few hazardous chemicals. Chemicals industry in India is highly diversified, covering more than 80,000 commercial products. It is broadly classified into Basic chemicals, Specialty chemicals, and Agrochemicals. Indian chemicals industry (excluding pharmaceutical products) ranks 14th in exports globally. Indian chemical industry employs more than 2 million people. The Indian industry has fared better and company growth rates have been in higher single digits as relatively stronger domestic consumption has ensured that Indian chemical companies enjoyed better growth compared to their global peers. The chemical industry in India is a key constituent of Indian economy, accounting for about 2.11 per cent of the GDP. With just a couple exceptions, outlooks for key chemical markets are equally bright.

OPPORTUNITIES & THREATS:

Your Company has been continuously striving to keep its costs to minimum possible to aggressively compete with Indian & global competitors. Moreover, slowly India is getting competitive with respect to global manufacturers, as global environmental rules are becoming stringent like that of India. Majority of manufacturers in India have shifted their focus towards investing in product innovation supported by the Make in India scheme of the government. The product of your company caters to textiles & garments manufacturers, Food and Beverages Industries, Laboratory, Leather, Candle making industries, Plastic Industries, Agricultural, Water Treatment, Personal Care & Cosmetics industries and etc. The company also offer specialty performance chemicals to the Textile Dyeing and printing industry. The Trading facility of the company is situated at Bhilwara (Rajasthan), Mumbai (Maharashtra), Delhi. The facility is spread over 3states. The company is an ISO 9001:2015 and ISO 14001:2015 certified company certifying the quality of the product your company manufactures. Beside Trading of numerous types of Dyes and chemical products, Our Company has large number of products and offers an entire range of specialty chemicals used in Textiles & Garments processing.

2. RISKS AND CONCERNS:

1. **Manufacturing Facility Not available** - Although the company is deal in variety of color shades in dyes, but as presently we don't have manufacturing facility. This restricts us to cater wider category of customers and competition. However, going forward our company would intend to expand its portfolio to develop and established manufacturing plant in future.
2. **Dependent on third party suppliers** - Our company deal in Dye and chemical intermediates from third party producers. It does not have its own manufacturing facility for producing intermediates and hence is largely dependent on third parties. In the past, company has faced cost issues owing to higher prices of intermediates charged by them, we are prone to such threats by them. However, the relationship and the volume of business we generate for them somehow mitigates this weakness of us.
3. **Increasing competition** - Dye and chemical industry is highly competitive, facing stiff competition from both organized and unorganized player. Our company faces tough competition from them in terms of pricing and customer base. Also, there are always the chances of new players entering this sector since barriers to entry are low. Further, there is contingency on how long benefit accruing due to China may be enjoyed. There may be turnaround in China's dye and chemical industry which possess huge threat to Indian market. However, our company has been successful enough to compete with them with increasing market share.
4. **Extreme volatility of exchange rate of rupee against US dollar** can have significant impact on the Company's operations because company has substantial imports. Any major change in Environment Policy by Government can affect the production on short term basis.

3. SEGMENT WISE PERFORMANCE:

In FY 2018-19, around 100% of total sales of the company came from domestic sales of dye and chemical stuff in India. Your Company sold The company mainly got good demand for Sulpher Dyes and Chemicals, Hydrogen Peroxide, Sodium Bi Carbonate, Sodium Meta Bi Sulphite, Soda Ash Light, Linear Alkyl Benzene Sulphonic Acid, etc.

4. BUSINESS OUTLOOK:

Your Company has progressively leveraged product quality assurance and good trade practices to trade in higher value products, expanding capacities to optimal scale. The Company has placed a greater focus on better value added chemical storage and delivering process. Comparative low labour costs, excellent army of technical manpower, capabilities to scale up technologies, potential to increase share in undeveloped domestic and global markets shall empower your company's Speciality Chemicals growth.

With the increase of government support and initiatives to promote Micro, Small and Medium Enterprises through investments, tax benefits, subsidies etc. will help the industry to grow over the coming years. In this year your Company came up with Public Issue and utilised the fund to meet the working capital requirement. The Company always strives to cater to the customized demand and main focus is to cater the need of the Textile and Garments Industry, Dyes Industry, Pigments Industry and your company has achieved target revenues with high level of customer satisfaction. With very robust demand for company's products, Company has potential for adding capacities in coming period.

5. INTERNAL CONTROL SYSTEM:

Your Company has sound and adequate internal control systems commensurate with its size and nature of business. We constantly upgrade our systems for incremental improvements. The Audit Committee of the Board periodically reviews these systems. These systems ensure protection of assets and proper recording of transactions and timely reporting. Internal audit is conducted out by an independent professional firm on regular basis. The Audit Committee also regularly reviews the periodic reports of the Statutory Auditors, Internal Auditors and Accounts departments. The Company has trained the staff in order to upgrade with the recent changes in the taxation like GST. Audit Committee constantly tries to add value by evaluating existing systems.

6. FINANCIAL PERFORMANCE OVERVIEW:

Your Company has grown progressively on year-to-year basis through addition of new products as well as continuous upgradation and optimisation of its trading facilities. The Company has a healthy turnover and profit track record and has a robust outlook for the future. The Company has achieved a remarkable turnover of Rs. 175.96 Crores which is a jump of about 134.10% compared to earlier year in terms of value and in terms of volume. Despite of slow global economic recovery and nation-wide challenging environment in Pharmaceutical Sector, it was only with aggressive strategies on various fronts and with proper utilization of all available facilities by the directors of the company.

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Human capital has always been the most important and valuable asset for the Company. Your Company continued its activities during the year in a cordial atmosphere with utmost co-operation amongst employees and the management. As of the date of the report, the total number of the employees of Company is 9. The management is committed to promote safety, occupational health and proper environment in designing, planning, training and completion of all tasks. Trainings are imparted to workmen in various new techniques and systems.

INDEPENDENT AUDITORS' REPORT

**To the Members of
Shankar Lal Rampal Dye Chem Limited
(Formerly known as Shankar lal Rampal Dye chem. Pvt. Ltd.)**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of SHANKAR LAL RAM PAL DYE CHEM LIMITED, (Formerly known as SHANKAR LAL RAMPAL DYE CHEM PRIVATE LIMITED), ('the Company'), which comprise the Balance Sheet as at 31st March, 2019, the Profit and Loss Statement, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<p><u>1.Assessment of Inventories</u></p> <ul style="list-style-type: none">• The net carrying value of inventory as on 31st March, 2019 was Rs. 10,37,66,047 which is 18.42% of Total Assets of the company. <p>Hence, we determined the valuation of inventories as a key audit matter.</p> <p><u>Related Disclosures:</u> Please refer to Note- for details of the accounting policies of inventories and Note- for relevant disclosures of inventories of the independent auditors report.</p>	<p>Our audit procedures for inventory verification included:</p> <ul style="list-style-type: none">• We have performed the Inventory physical stock count on sample basis for the period ended 31st March, 2019. We attended inventory counts at location, which is selected based on financial significance and risk and we performed the following procedures at each site:<ul style="list-style-type: none">(i) Selected a sample of inventory items and compared the quantities we counted to the quantities recorded.(ii) Observed a sample of management's inventory count procedures to assess compliance with Company's policy, and(iii) Made inquiries regarding obsolete inventory items and inspected the condition of items counted.• We have also evaluated a selection of controls over inventory existence across the company.• Examining the Company's historical trading patterns of inventory sold at full price and inventory sold below full price, together with the related margins achieved for each product lines in order to gain comfort that stock has not been sold below cost.• Evaluating the rationality of the inventory policies such as the policy of inventory valuation and provision for obsolescence and understanding whether the valuation of inventory was performed in accordance with the Company's policy.• Analyzing the inventory aging report and net realizable value of inventories.• Inspecting the post period sales situation and evaluating the net realizable value of measurement applied on aging inventory in order to verify the evaluation accuracy of the estimated inventory allowance by the Company and• Assessing whether the disclosures of provision for inventory valuation are appropriate.
---	---

<p><u>2. Assessment of Trade Receivables</u></p> <ul style="list-style-type: none">• The recoverability of trade receivables and the level of provisions for doubtful debts are considered to be a significant risk due to the pervasive nature of these balances to the financial statements, and the importance of cash collection with reference to the working capital management of the business.• At 31st March, 2019 the trade receivables balances (net of provisions) was Rs. 26,88,25,959 which consist of 47.73% of the total amount of assets. Since the Trade receivables constitute the substantial part of the assets of the company, they are determined as the key audit matters. <p><u>Related Disclosures:</u> Please refer to Note for details of the accounting policies of accounts receivable.</p>	<p>We have:</p> <ul style="list-style-type: none">• Assessed the design and implementation of key controls around the monitoring of recoverability.• Discussed with the management regarding the level and ageing of trade receivables, along with the consistency and appropriateness of receivables provisioning by assessing recoverability with reference to amount received in respect of debtors.• In addition we have considered the company's previous experience of bad debt exposure and the individual counter-party credit risk.• Critically assessed the recoverability of overdue un-provided debt with reference to the historical levels of bad debt expense and credit profile of the counter-parties.• Tested these balances on a sample basis through agreement to post period end invoicing and cash receipt.• The accuracy and completeness was verified through, analytical reviews and balance confirmation.• Considered the consistency of judgments regarding the recoverability of trade receivables made year on year to consider whether there is evidence of management bias through discussion with management on their rationale.• Analyzing the aging schedule of accounts receivable, past collection records, industry boom and concentration of customers' credit risk.
<p><u>3. Revenue Recognition</u></p> <ul style="list-style-type: none">• Revenue is an important measure used to evaluate the performance of the Company. There is a risk that the revenue is presented for amounts higher than what has been actually generated by the Company. Consequently, we considered revenue recognition to be a significant key audit matter.	<p>Our audit procedures to assess revenue recognition include the following:</p> <ul style="list-style-type: none">• Assessing the design, implementation existence and operating effectiveness of internal control procedures implemented as well as test of details to ensure accurate processing of revenue transactions.• Inspecting underlying documentation for any book entries which were considered to be material on a sample basis.

<p><u>Related Disclosures:</u> Refer to note - Accounting Policy</p>	<ul style="list-style-type: none">• Inspecting the key terms and conditions of agreements with major customers on a sample basis to assess if there were any terms and conditions that may have affected the accounting treatment of the revenue recognition.• The accuracy and completeness of revenue was verified through, cut-off test, analytical reviews and balance confirmation.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon. The other information as identified above is expected to be made available to us after the date of this auditor’s report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the other information as identified above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure “II” forming part of Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls with reference to financial statements of Shankarlal Rampal Dye Chem Ltd. Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to AS financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to financial statements, is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial controls with reference to AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to AS financial statements and such internal financial controls with reference to AS financial statements were operating effectively as at March 31, 2019, based on the internal financial controls with reference to AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER DISCLOSURES

NOTE NO. 1 SIGNIFICANT ACCOUNTING POLICIES

1. System of accounting

The company adopts the accrual concept in preparation of the accounts.

The assessee follows mercantile system of accounting. Accounting Policies have been framed and adopted based on the Generally Accepted Accounting Principles in India including Accounting Standards and Income Computation Disclosure Standards (ICDS) I to X issued by CBDT, wherever applicable.

2. Inflation

Assets and liabilities are recorded at historical cost. To the company, these costs are not adjusted to reflect the changing value in the purchasing power of money.

3. Fixed assets

Fixed assets are capitalised at cost inclusive of direct installation erection and allied expenses.

4. Inventories

Inventories are valued at cost or net realisable value which ever is lower. Cost is measured on First in First Out basis.

5. Depreciation

Depreciation on fixed assets is provided for on straight line method adopting Life prescribed by Schedule II of the Companies Act; 2013

6. Foreign Currency Transactions

Transactions denominated in Foreign Currencies are normally recorded at the exchange rate prevailing on the day of transaction.

7. Taxes on Income

Current tax is determined as the amount of tax payable to the Taxation Authorities in respect of taxable income for the year. Deferred tax is recognized, subject to consideration of prudence, in respect of deferred tax assets, on timing differences being difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years. In respect of unabsorbed depreciation / carry forward of losses under the tax laws, deferred tax assets are recognized only to the extent that there is virtual certainty that future taxable income will be available against which such deferred tax assets can be realized.

8. Employment Benefits

- i. Employee Benefit in the form of Provident Fund in pursuance of law is accounted on accrual basis and charged to Profit and Loss Statement for the year.
- ii. The Company is making provision for gratuity for employees when they completed 5 years of service.

9. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of Qualifying assets are capitalized as part of the cost of such assets. A Qualifying asset is one that takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

10. Others

Except where stated, accounting policies are consistent with the generally accepted accounting principles and have been consistently applied.
